

This years **Membership Application and dues notice** is arriving along with a reminder to save the date for our first event: The **Wine Tasting Extravaganza** on Saturday, February 25, 2012. Invitations with reservation forms will be mailed in January.

We will be using the membership form to create the **2012 Membership Directory**. Everyone who is a lake leaseholder will receive a copy of this directory. Our goal is to distribute the directory within the first few months of the year. If you know of anyone who is a lake leaseholder but is out of town for the winter, please share this information with them so they can continue to receive the monthly newsletter and be listed in the directory for 2012. Applications can also be found on our website at www.lakespringfield.org.

Dues remain at only **\$20.00**. Here are a few of the many things your membership supports as well as reasons to be a member:

*****Monthly Newsletter**---Stay informed on current and upcoming events and news regarding Lake Springfield.

*****Ordering Lake Address Signs**--- You can submit your order for a lake address sign on the membership application. Springfield Police Department and Lake Security strongly advise us to have the signs on the lake side for public safety purposes. The signs are 6” by 18”, aluminum with a blue background and white reflective lettering. Ace Sign Company offers this great product to us for a reasonable cost of \$25. This sign alone could save a life.

*** **SLSIA’s website**--- Our website contains much valuable information including a listing of the entire Board of Directors, emergency phones numbers, current event information, our association by-laws, information on Lake clubs and much more. Contact information for our **Springfield Police Department Officer**, is also listed. Local businesses help to sponsor the website and have a link on the website which goes directly to the business. Visit www.lakespringfield.org to find out how to become a sponsor.

*****Sherel Nutt Memorial Scholarship**— two \$1000.00 scholarships are awarded to graduating seniors going to college. There will be a space on the membership application for you to make an additional voluntary donation to the scholarship if you so choose. Information on this program and past winning submissions can be found on our website www.lakespringfield.org.

*****Lake Home Market Analysis Report**--- The 2009-2011 report will be available on our website www.lakespringfield.org. A limited number of copies will be offered at our Annual Meeting January 11, 2012 6 p.m. at the Firefighters/Postal Club.

*****Calendar of Events (Club Events)**. Our association compiles and prints this must-have schedule which you receive from CWLP with your boat registration. Copies can also be obtained from any club on the lake. This information is also published on our website at www.lakespringfield.org.

Lake Springfield Clean-Up Day May 5, and the Golf Outing May 25. These events are in the planning process and are other great reasons to stay informed by becoming a member to get information as soon as it becomes available on these wonderful events!

The **success** of our **association** is based on **membership participation**. There are so many wonderful accomplishments and so many outstanding members who have worked hard to make it a success. **Thanks to everyone** who helps in the above activities as well as others not mentioned in this newsletter. We appreciate you being a paid member and supporting your association!
